

Important Announcement from the SAC Office

Earlier this week you would have received an email encouraging you to register for our seminars at this year's Consac Imagemakers. **"Human Resources – The Hidden Capital"** was highlighted in this email.

This particular seminar will be presented by Federal and Provincial government officials. The information contained in this seminar is so vital to the financial wellbeing for those within our industry that we chose to ***waive the registration fee for this seminar.***

We encourage you to visit our website at www.sac-ace.ca/consac and register ***today*** as space is limited.

"We have never had such outstanding seminars assembled as we do for this year's show" according to SAC's Board President, Mr. Fred Elkins.

Please do take a few moments to review again, the seminar outlines listed on our website.

Warmest regards,

Sherri Edwards
Director of Sales and Marketing
