

Special Offer

The Sign Association of Canada, together with Corel Corporation, presents a very special offer for all Sign Association members.

The Corel Approved Service Bureau

The Corel Approved Service Bureau (CASB) program offers specialized and dedicated technical support to companies in the professional imaging industry. Save time and money while producing the accurate imaging your customers demand. Tell your prospective customers about the services that you are able to provide. This program is an ideal solution for organizations that output files created in Corel graphics software, or for those looking to tap into a large community of Corel graphics users.

As a member of this program, you receive:

- ⊕ CorelDRAW® Graphics Suite X4, WordPerfect® Office X4 (two licenses of each)
- ⊕ Other software titles at discounted prices
- ⊕ Unlimited specialized Technical Support on a dedicated toll-free telephone line
- ⊕ Listing on a dedicated area of Corel's web site for your potential customers
- ⊕ The use of Corel and CASB logos for advertising purposes
- ⊕ Product information, demos and FAQ's, customer references, box shots, and in-depth white papers
- ⊕ Sales tools sales guides, cheat sheets, training information and presentations
- ⊕ Access to Corel marketing activities, marketing campaigns, product promotions, seminars, and programs

The Corel PerfectImage Pledge

Corel pledges that members of the Corel PerfectImage Alliance and CorelPerfectImage Strategic programs (and participating CorelPerfectImage Franchise members) can easily and consistently output correct commercial film if they adhere to the techniques and information provided on an ongoing basis by Corel.
