Become a Sponsor - generate new business and enhance your company's profile with key decision makers!

When you become a year round Premium Sponsor, Corporate Sponsor or a sponsor at Sign Expo Canada, you are enhancing your corporate profile and creating a strong visible presence at Canada's largest industry event. By aligning your brand with the Sign Association of Canada you are clearly stating your leadership in the industry.

Being a sponsor is about building relationships with Sign Association members and Trade Show registrants, and promoting your brand, your products, and services.

We work with you to help you meet your business development objectives. In addition to the opportunities presented, we welcome your suggestions and requests.

Sponsors are recognized based on the level of sponsorship and alphabetical order. The size and position of the logo is determined by the level of sponsorship.

Current year sponsors have first right of refusal to sponsor the same item at next year's event.
